It is our conviction that the work of Faith Christian Academy is a vital ministry and that the Faculty and Staff must feel called of God to their particular ministry. If you do not feel that you can put your heart into the ministry for Jesus' sake, you should not apply. We are not interested in anyone being on the Faculty or Staff who serves merely for a means of support. Teachers are expected to be members of Faith Baptist Church and to faithfully attend all services, including prayer meetings. It is impossible to lead children or others in spiritual growth unless we ourselves are personally concerned with our right relationship with the Lord. Faculty and Staff are expected to abstain from dancing, card playing, attendance at theaters, meetings of secret societies, any form of alcoholic beverages, or any other conduct that would bring reproach on the name of our Lord. Women employees are expected to wear skirts or dresses on school property with skirts not shorter than the knees. Men employees are expected to wear ties and to be neat in dress with neat haircuts. FCA stands opposed to the CCM movement that has inundated so many ministries. We hold to the traditional sounding songs of the faith that cause one to rejoice in the majesty of our God. Therefore, we would ask our faculty to hold to the same music standards so as to not cause a stumblingblock to our students.

I am in agreement with these standards of conduct. _____
